Vocabulary Words: jumbo, nutmeg

Jill and Dennis had to have a muffin for a picnic. There was no muffin mix, so they had to go to a shop to get a mix.

When they got to the shop, Jill said, "I want a muffin mix with nutmeg in it."

Dennis said that he did not like nutmeg.

Jill said, "It will be good in the muffin mix."

Jill was upset that there was not a mix with nutmeg. They had to get a basic muffin mix and get nutmeg to put in the mix. Dennis said to Jill, "I will go get the nutmeg. Do you want a jumbo bag?"

Jill said, "Yes, get a jumbo bag. I will go get jello." Jill got the jello and went to get Dennis.

"Help me, Jill. I do not see the nutmeg!" said Dennis.

Jill said to him, "Dennis, I see the nutmeg." She put a jumbo bag of nutmeg in the basket. They got in the van to go.

It was fun to put the nutmeg in the muffin mix. When the jello and muffin were done, Jill put them in the picnic basket.

Dennis said to Jill, "Let us go on a picnic. We can see the sunset on the hill." Jill and Dennis got in the van and went to the hill. They had a picnic and got to see the sunset.
