Glen went to the big hill with his blue sled. He was with his mom. He went down the hill on the sled. Mom said, "Do not slip on the hill."

Glen went down, down, down the hill! The sled did slip. The sled slid down the hill. Glen and the sled went *slam* into the brush.

Glen bled on his leg. Mom ran to Glen. "It is not a bad cut, Glen," said Mom.

"I am OK," said Glen. "I still had fun!"

Glen and Mom went down the hill.
