My mom said there would be a snack for me today. When I got off the bus, I ran as fast as I could. I went over the bridge and the ditch.

When I got in, I had to dodge a dog that was in my path. I ran to Mom. She got a hug from me.

I could see that Mom had a box mix for fudge. She had to mix a cup of milk in with it and put it in a pan.

Mom put the pan of fudge in the oven. I could smell it! It was a good smell.

Mom got the fudge out of the oven when it was done. I sat down on the edge of a chair. Mom got me a glass of milk and some fudge. It was so good. Mom saw me grin.

It was a good snack. If I had to judge, my mom would win for best fudge! We will have all the fudge and drink the milk.
